- Volunteer notetaker needed; see me after class.<sup>1</sup>
- The classroom cap for this room is 46 students. This is a limit imposed by the fire code. If you are not planning to stay in this course, please drop soon to make room for others.

Testing how notes show up here.

<sup>1</sup> This will require you to visit the DRC (GC 190), copy your notes there at no cost, and leave them there for the student to retrieve. Or, DRC can provide special carbonless (NCR) paper that provides immediate copies of your notes. Thanks for your willingness to help.
